DIRECTOR OF ATHLETICS

JIM KEHOE

James H. Kehoe became Director of Athletics at the University of Maryland July 1, 1969, upon the retirement of William W. Cobey, who had held the post since 1956. In his first year as AD the Terps won 100 athletic contests, six of the 12 ACC team titles and captured the ACC's Carmichael Cup for the seventh time.

In his third year at the helm of the Maryland athletic program the Terrapins won their first NATIONAL TITLE in basketball as they captured the National Invitational Tournament Championship. It was Kehoe who lured Coach Lefty Driesell to Maryland as the Terp basketball coach.

He obtained the services of Jerry Claiborne to guide the Terrapin Football fortunes in 1972 and the program took an immediate leap forward, recording the best record in 10 years, the most points scored in 18 years and advancing from last to first in the ACC in total defense.

The 1972-73 season saw another significant step in the direction Kehoe has aimed for. The Maryland Educational Foundation under the direction of Tom Fields, another Kehoe recruit, contributed over 250,000 dollars to the Maryland athletic program and the Terrapin Club increased its membership to nearly 900.

In addition the Terps won 108 of 164 contests, reached the finals of the NCAA Eastern Regional Basketball Tournament for the first time and won the National Championship in Lacrosse. Five more ACC Championships increased the Maryland total to 114, more than double the total recorded by runner-up North Carolina with 52.

As Maryland track coach for 23 years, Kehoe saw his teams capture the Atlantic Coast Conference championship in all but one year of the ACC's existence.

In 1954, first year of the conference, Maryland took the conference crown. After North Carolina won the title in 1955, Kehoe's teams regained the championship which Maryland has now held for 16 straight years.

Since he became head track and cross country coach in 1946, Kehoe has directed his teams to a total of 47 Southern Conference and Atlantic Coast Conference championships.

In dual meet competition his teams were undefeated for the past eight years, and the track team had a winning streak of 27 straight victories and the cross country team 23 at his retirement.

Maryland won the I.C.4-A. track title in 1965, '66, and '69 to claim Eastern track supremacy.

Perhaps Kehoe's greater moment was reserved for his final season. In his final meet as head coach, by the margin of a single point, Maryland defeated heavily favored Villanova for the I.C.4-A. outdoor championship. By his own admission Kehoe declared this was his greatest track victory during his 25 years of coaching.

A native of Bel Air, Maryland where he starred in several sports, Kehoe entered Maryland in 1936 and concentrated on track and cross country. He lettered in all three of his varsity seasons, was undefeated in dual meet competition during this period, and won several Southern Conference titles in indoor and outdoor competition, as well as holding University records in the 880 yard and two mile runs.

While a student at Maryland Kehoe was president of the Men's League and a member of Omicron Delta Kappa National Honorary Fraternity. His responsibilities at Maryland prior to his appointment as Athletic Director included: Head Track and Cross Country Coach, Associate Professor of Physical Education, and Director of Intramural Athletics. He also holds an Honorary Doctors Degree from Steed College in Tennessee.

During World War II Kehoe served as an officer with the 81st Infantry Division in the Pacific, rising from the rank of private to lieutenant colonel upon retirement. He participated in the Philippine Islands and Central Pacific Campaigns and was awarded the Bronze Star, American Service Medal, Asiatic Pacific Medal, Victory Medal, and Philippine Liberation Medal while in service.

Kehoe is married to the former Barbara Riggs England, a 1943 Maryland graduate. The Kehoes have four children: daughters Courtney Ann 27, Barbara Sue 25, Mary Lou 19, and a son Jim 26. Courtney Ann and Jim are graduates of the University.

JERRY CLAIBORNE
Head Football Coach

Jerry Claiborne came to Maryland as a proven winner with a reputation for outstanding organizational and recruiting abilities. In one year he has his program firmly established in College Park. Changes are evident from the physical facilities to the final scores posted on the new scoreboard.

In his first year, he recorded the best record for a Maryland football team in 10 years, won five games while his predecessors had won only nine games over the previous five years. At the same time the Terps moved from last to first in the ACC in total defense, scored the most points by a Maryland team in 18 years and placed two men on the All-ACC team for the first time in 10 years. The Terps added 16 new records to the Maryland record book with six of them produced by the passing game. They included season records for the most passes attempted, most passes completed and most yards gained passing as the Terps averaged 26 passes thrown and over 14 completions a game.

Significant changes are evident but perhaps the most important is the mental outlook towards the game of football by the squad. The team believes in his aggressive wide tackle six defense and the multiple eye offense has been very productive. The response of the team to Claiborne, his philosophy and his approach towards football has resulted in tremendous improvement in quickness, agility, and strength of players already on hand when Claiborne arrived. Individual and team pride is evident by the time and effort devoted to weightlifting, conditioning and weight control, especially by the upper classmen.

Success and Jerry Claiborne has always been synonymous in academics and athletics, first as an outstanding student athlete at Kentucky, as the head football coach at Virginia Polytechnical Institute, as the defensive coordinator for Colorado's third ranked Bluebonnet Bowl champions and now as the head football coach for the Maryland Terrapins.

Coach Claiborne was born in Hopkinsville, Kentucky where he had outstanding athletic and academic careers in both high school and the University of Kentucky, at that time coached by Paul "Bear" Bryant. Claiborne played many of the skilled positions and was most instrumental in leading Kentucky to bowl games. In 1949 he was selected as the outstanding senior on the University of Kentucky's Orange Bowl team. During the same year, the defensive secondary, of which he was a member, established and still holds the NCAA record for pass interception returns.

In addition to his outstanding athletic endeavors, he was also held in high esteem academically, elected into several honorary leadership-scholarship organizations including Lamp and Cross, and Omicron Delta Kappa. He was also selected as the outstanding senior in the College of Education and graduated from the University of Kentucky with high distinction, accumulating a 2.7 out of a possible 3.0 grade point average. The crowning tribute to his athletic-academic success came in 1968 when he was elected to the University of Kentucky Hall of Fame.

Coach Claiborne began his coaching career at Augusta Military Academy as head football coach and basketball mentor. The first year his basketball team won the state prep championship and the second year his football team won the state championship.

After two years at the Academy, Coach Claiborne returned to his Alma Mater as assistant coach with "Bear" Bryant. After two seasons Coach Bryant moved to Texas A & M and with him went Coach Claiborne as defensive coordinator. In two short years Texas A & M was the Southwestern Conference Champs and Coach Claiborne's defense led the league.

In 1957 Coach Claiborne joined the Missouri coaching staff under the tutelage of Frank Broyles. Once again Coach Claiborne was the defensive coordinator; however his stay in Missouri was short lived as the next year found Coach Bryant accepting the head football coaching position at the University of Alabama, and Claiborne returned to Bryant's staff as the assistant head coach in charge of defense.

In two of the next three years the Alabama teams were among the best in the country defensively and they played in both the Liberty and Bluebonnet Bowls. With such immediate success being the pattern of Claiborne's coaching ability, he was selected as the head football coach at Virginia Polytechnic Institute.

In three short years Virginia Tech won the first Southern Conference Championship in the history of the school. In

1966 and 1968, Claiborne coached, Virginia Tech teams played in the Liberty Bowl.

In 1963 he was selected as the Southern Conference "Coach of the Year." In 1966 he was selected as the District III NCAA "Coach of the Year." His overall success at VPI was 61-39-2 and ranks him among the top 25 coaches in the United States.

While heading up the Virginia Tech program, Coach Claiborne was honored by being selected to coach in such post-season games as the Blue-Gray game and Coaches' All-American game. His program at Virginia Tech produced four outstanding All-America players. In addition, eight out of ten years at Virginia Tech his teams were among the top ten in the country in some defensive category.

Coach Claiborne is an extremely active member of the Fellowship of Christian Athletes, and has served as a Deacon in the Baptist Church. While in Virginia he served as State Chairman for the Cancer Crusade which raised over $1,000,000 for the first time in the history of the State. On a national basis Coach Claiborne once again received the plaudits of his fellow countrymen when he was selected as one of the "Outstanding Young Men in America."

Mrs. Claiborne, the former Faye Hooks, of Hopkinsville, is also a University of Kentucky graduate. The Claibornes have two sons and two daughters. David, 20, is a student at Colorado. Jonathan is 17 while the girls are Katie, 15 and Eileen, 11. Coach Claiborne is 44.

Claiborne Compliment

Colorado head coach Eddie Crowder said that Claiborne, more than any man was responsible for Colorado's No. 3 national rank in 1971.

According to Crowder, Claiborne not only was a superior field coach but just as outstanding handling players off the field. On most Big Eight squads, with men from all over the country, of different races, backgrounds, and philosophies, morale is really a problem.

Claiborne was the coach Colorado players sought for advice, sympathy, comfort, guidance or what have you.

THE COACHING RECORD

Equaled longest coaching tenure, 10 years, in history of Virginia Tech football. Most wins, 61, by a Virginia Tech coach. Won over 60 percent of his games, ranking among top 25 active coaches.

THE 1973 OUTLOOK

Winning attitude, Pride, Dedication, Sacrifice, Hard Work, Organization, Fan Support and Talent. These are the tangibles that are necessary for a winning football team, and all are present at College Park to a much greater degree than they have been in recent years.

Combine these with the presence of Jerry Claiborne and the feeling around College Park is that the Terrapins will have their first winning season since 1962.

Claiborne says "We will be a very exciting football team. Improvement should be shown this fall."

Improvement would assure the Terps of their first winning season since the 6-4 record in 1962, as the 1972 team broke even at 5-5-1 in Claiborne's first year. During the five previous years, the Terps had won a total of only niue games.

The improvement in the team and overall program along with an excellent home schedule has resulted in increased fan support and the best seeason ticket sale in many years.

Claiborne, in his second year as the Terp mentor, has established his program at College Park. The team believes in his aggressive wide tackle six defense and the multiple eye offense produced the most points scored by a Maryland team in 18 years.

The response of the squad to Claiborne, his philosophy and his approach toward football is evident by their dedication and sacrifice. An extensive weightlifting program, agility drills, a weight control program and personal pride has contributed to great improvement among those athletes already present in College Park when Claiborne arrived. In turn their performance as leaders has contributed greatly to the maturity of the newcomers.

There are only six two year lettermen on the team, four on offense and two on defense. Paul Vellano and Ken Scott lead the defensive unit with Bart Purvis a two year letterman on the offensive line. Quarterback Al Neville, Wide Receiver Dan Bungori and Monte Hinkle a fullback are others looking for their third letter.

Junior Lettermen Randy White, Guy Deitz and Dave Visaggio join Vellano and Scott to form the best defensive line in the Atlantic Coast Conference.

The secondary has three lettermen back as starters again in All-ACC Safety Bob Smith, and halfbacks Ken Schroy and Pat Ulam.

The defensive unit made the greatest improvement last year as they moved from last in the ACC in total defense to first in both rushing defense and total defense. Only the Ends Tim Brant and Chris Cowdrey are gone from that starting unit.

Mickey Riggleman and Kevin Ward both lettermen linebackers have moved up to take over at defensive end and are joined by Ed Serembus and Derick Harris, a sophomore up from the Junior Varsity squad. Jim Santa, Steve Zannoni and Kevin Benson all lettered and served as starters at linebacker last year and are joined by a transfer from William & Mary in Harry Walters a sophomore.

Purvis will anchor the offensive line at the strong guard position after lettering as a tackle last year and a center as a sophomore. Two defensive tackles have moved over to offense in Bill Murphy and Cy Jernigan and with Junior Stan Rogers and Sophomore John Zernhelt joining them the tackle positions should be solid.

John Nash, a freshman moving up, joins Juniors Richard Reitler, John Vesce and senior Jim Dzierzanowski as guard candidates.

Frank Romano moved from guard to center and had an excellent spring practice there as a strong blocker. Bob Lange has experience at center and Marion Koprowski had a fine spring and is excellent on the long snaps to the kickers.

Bill Calandra returns after lettering at tight end in 1971 with Don Weiss and John Alkire back from last year.

Ben Kinard had a fine spring at quarterback and is an especially exciting runner while Bob Avellini is back after an outstanding sophomore year as a passer. Avellini took over for the injured Al Neville in the Villanova game. Neville suffered a broken collarbone during the 1972 spring practice and broke the other collarbone in the Villanova game. He should be fully recovered this fall and has a year and a half of experience as a starter.

Louis Carter returns as the leading ground gainer at tailback with Jamie Franklin at Wingback. Franklin had an outstanding spring practice and should become a star as a junior. LeRoy Hughes and Richard Jennings are both excellent runners up from the freshman class and both were on the varsity as freshmen.

George Shihda, a freshman moving up from the J.V., is at fullback along with two year letterman Monte Hinkle.

Frank Russell, a wide receiver, is rated by Coach Claiborne as a "super receiver" and will open at split end. Dan Bungori, All-ACC as a sophomore, returns after a shoulder operation.

Linemen James Richey, Richard Cozzi, Joe George and Tom Schick were all injured during the spring but should see action this fall.

Three Junior College products will join the varsity this fall and are certain to see action. They are Alan Bloomingdale, a JC All-American running back at Barstow, California; Walter White, a JC All-American receiver at Mesa from Charlottesville, Virginia, and Russ LaHayne, a linebacker from Montgomery Junior College in Maryland.

In addition to the above there are 33 freshmen joining the squad this fall and several are certain to dress for the West Virginia game.

1973 FOOTBALL COACHING STAFF

Thomas Groom (Virginia Tech '67)

Coach Groom's offensive setbacks were hampered by injuries in 1972 but accounted for 16 touchdowns and this should be a strong point for the Terrapins in 1973.

Groom played his collegiate football for Jerry Claiborne at Virginia Tech where he was a three year letterman and as fullback captained the 1966 Liberty Bowl. He also Captained the undefeated 1963 State Championship team at Charleston Catholic, in Charleston, West Virginia.

Following graduation from Virginia Tech he remained as a graduate assistant until entering the Army as a Commissioned 2nd Lt. He served as an assistant coach at the USMA Prep School, Fort Belvoir, Virginia in 1968 and in 1969 transferred to West Point as an assistant coach under Tom Cahill.

In 1971 he served as a graduate assistant under Head Coach Eddie Crowder at Colorado. He moved with Coach Claiborne to Maryland.

He is married to the former Sharon Dalton and they have two children, Thomas 7, and Gina 4.

John "Jake" Hallum (Newberry '61)

Coach Hallum has only Bart Purvis returning from the 1972 offensive line but appeared to find more than adequate replacements during the spring with several players moving from other positions.

Hallum played four years of collegiate football at Newberry receiving his B.S. degree in 1960. He received his Master's from Murray State in 1965.

He began his coaching career at Pickens High in South Carolina as assistant coach in football and basketball and head baseball coach. In 1962 he moved to Hopkinsville High in Kentucky again as an assistant in football and basketball and head baseball coach.

He then moved to Paul G. Blazer high in 1966 as head football and head track coach recording a three year record of 20-6-0 in football. His 1966 football team captured the District Championship and in 1967 won the State Championship. His track team placed third in the state in 1967.

Coach Hallum was named the "Outstanding Young Man" for the Ashland and Boyd County area in 1967, the Lexington-Herald "Coach of the Year" in 1967 and the Kentucky High School Athletic Association "Coach of the Year".

In February of 1968 he moved to Morehead State University as assistant football coach and in April was named the head football coach and assistant professor.

He served in this capacity until moving to Maryland to join Coach Claiborne. He left Morehead with a winning program and a 7-3 record in 1971.

He was born in Liberty, South Carolina on Nov. 2, 1938. His wife Mable is a native of Greenwood, South Carolina. They have two sons, Tod Jacob 9 and Bart Jeffrey 6.

He was a member of the Gobblers 1966 Liberty Bowl team and signed with the Denver Broncos in 1968. He

returned to Virginia Tech with Coach Claiborne in 1969 and worked with the defensive line there for two years.

In 1971 he served as the defensive coordinator at William & Mary and rejoined Coach Claiborne when he assumed the Head Coaching duties at Maryland.

Foussekis is a graduate of Lane High in Charlottesville, Virginia where he Captained the Football, Basketball, and Baseball teams. He was named the Most Valuable Player in all three sports. His 1963 Football team at Lane High won the state championship and he was named first team All-State.

He wil be joined at Maryland this fall by a pair of Virginia stars from the same area in Walter White of Albermarle High in Charlottesville and Ralph Fisher of Radford High in Radford.

The 27 year old bachelor was born on April 28, 1946.

Joe Gardi (Maryland '60)

Coach Gardi's pass receivers had a record setting year in 1972 as they grabbed 158 passes for 1,985 yards. One pass for minus three yards was pulled in by Offensive Center Ron Kecman.

Gardi was a three year letterman for the Terrapins, playing two years under Coach Tommy Mont and Co-Captain of the 1959 Tom Nugent team.

He was voted the "Unsung Hero" of the 1959 season and signed with the Washington Redskins in 1960 as a free agent and with the Buffalo Bills in 1961.

He began his coaching career as a graduate assistant for Nugent in 1960 and the spring of 1961.

His first Head Coaching assignment was The Oratory School in Summit, New Jersey in 1964. The Oratory team had a 35 game losing streak when he took over and in his second year they recorded a 5-3 record. In 1967 he moved to Roselle Park High where they had not had a winning season in 10 years and again, in his second season there, Roselle Park was 6-3. Zane, Jamie Franklin, Louis Carter

John W. "Jack" Zane (Maryland '60)

Sports Information Director

The duties of a sports information director are primarily to disseminate information concerning the various athletic teams and at the University of Maryland this is a most enjoyable duty.

With the caliber of the entire athletic program, the many championship teams, and the caliber of the young men participating on these teams, material is plentiful and well received.

Zane assumed the duties as SID at Maryland in 1970 after serving as an Associate with Dan Daniels for a year and following six years at George Washington University.

He received his degree in Journalism in February of 1960 after serving as a student assistant to Joe Blair for three years. Following graduation he remained with Blair as an assistant for two years. While at Maryland he served as the first Executive Sports Editor of the Diamondback and SMC of Pi Kappa Alpha Fraternity. Also member of Sigma Delta Chi Journalism Fraternity at Maryland and now member of the Maryland professional chapter.

While at GW he served as president of the Southern Conference SID's and on the Executive Committee of the Southern Conference Sportswriters Association.

He is a member of CoSida, the Football Writers and Basketball Writers, the Sports Reporters Association of Baltimore and ACC Sportswriters. He is also a member of the Washington D. C. Touchdown Club.

A graduate of Southern High at Lothian, Maryland he served four and a half years in the Navy before enrolling at Maryland. He is married to the former Judy Allen of Fayetteville, West Virginia, a graduate of George Washington University.

University of Maryland

The University of Maryland is a land-grant institution of higher learning stressing programs of excellence in teaching, research and service.

The University is now the seventh largest University system in the nation. It has historic foundations dating back over 160 years. The state's first professional schools were founded in 1807 in Baltimore, and the present University of Maryland was created in 1920. At that time, Maryland State College of Agriculture, which had been founded in College Park in 1856, was merged with the Baltimore Campus.

Since then three other campuses have joined the University system: the Baltimore County Campus at Catonsville (UMBC), the Eastern Shore Campus at Princess Anne (UMES) and University College at College Park.

The College Park Campus (U of M) is located just nine miles from the Nation's Capitol, and provides many academic resources for its widely diverse student body of over 35,000.

The State Capital at Annapolis, the port city of Baltimore, large governmental agencies, libraries and scientific institutions, and abundant recreational opportunities are found near the Campus.

The College Park Campus provides rich possibilities for every type of interest. Undergraduate students may specialize or generalize in one of over 120 fields for a bachelor's degree; graduates in more than 80 areas for a master's degree and in over 70 academic areas for a doctoral degree.

Students may choose from such areas as the life sciences, agriculture, mathematics, physics, engineering, behavior and/or social sciences, business management, the arts and humanities, journalism, architecture, human and community resources, human ecology, education, physical education and library and information services.

Under the leadership of Dr. Charles E. Bishop, innovations have been made in many academic areas, on the College Park Campus, including urban studies, applied mathematics, consumer economics, ethnic studies, and other areas which are concerned with particular needs of today's society.

The College Park Campus has recently implemented one of the most enlightened campus organizational structures in the country. The new campus organization provides every student and faculty member with increased freedom and expanded opportunities to develop his or her potential.

The Department of Intercollegiate Athletics under the guidance of Jim Kehoe fields varsity teams in 13 sports in the Atlantic Coast Conference and seven additional sports in which the women compete on local, state and regional levels.

The women field teams in Basketball, Field Hockey, Swimming, Lacrosse, Tennis, Track and Field and Volleyball. The men are represented in Baseball, Basketball, Cross Country, Fencing, Football, Golf, Indoor Track, Lacrosse, Tennis, Track and Field, Soccer, Swimming and Wrestling.

DR. WILSON H. ELKINS

PRESIDENT
UNIVERSITY OF MARYLAND

The twenty-first president of the University of Maryland, Dr. Wilson H. Elkins, is serving his twentieth year in that office. He came to Maryland in September of 1954 from Texas Western College, a branch of the University of Texas at El Paso. He previously had served as President of San Angelo Junior College.

He holds B.A. and M.A. degrees from the University of Texas where, as an undergraduate, he earned eight varsity letters in football, basketball and track.

His B. Litt. and Ph.D. degrees are from Oxford University where he studied as a Rhodes Scholar.

President Elkins' administration at Maryland has been marked by great physical plant growth and strengthening of academic standards. Faced with skyrocketing student enrollment, the University, under his leadership, has consistently sought to provide quality education for an increasing number of students.

Dr. Elkins has served as chairman of the executive committee and is past president of the National Association of State Universities and Land-Grant Colleges; a member of the Southern Regional Education Board and the steering committee of the Education Commission of the States; and past president of the Middle States Association of Colleges and Secondary Schools, and the Southern University Conference.

DR. CHARLES E. BISHOP

CHANCELLOR COLLEGE PARK CAMPUS

Charles E. Bishop, Chancellor of the College Park Campus, came to the University of Maryland in 1970 from the University of North Carolina, where he served as Vice President.

Dr. Bishop arrived at the University during one of the most turbulent periods in the history of higher education in the United States. He and his administration guided the Campus through a time of national campus upheaval and helped to bring about major changes in the structure and organization of the College Park Campus.

Dr. Bishop is committed to the continued excellence of academic programs on the College Park Campus. Under his leadership, innovations have been made in many academic areas, including urban studies, applied mathematics, consumer economics, ethnic studies and other areas which are concerned with particular needs of today's society.

A nationally recognized scholar, teacher, and administrator, Dr. Bishop has served in numerous advisory capacities to State and Federal governments and to international agencies. He has also made significant contributions to the work of various professional and educational agencies.

Dr. Bishop took his bachelor of science degree at Berea College, Kentucky, his master of science at the University of Kentucky, and his doctor of philosophy in economics at the University of Chicago.

Coach Lefty Driesell's Maryland Terrapins face the toughest challenge of any team in the 50 years of Intercollegiate Basketball competition at College Park when they take on the 1973-74 schedule.

The Terps have three games with the top two, and only undefeated, teams in the nation. National Champions UCLA host the Terps in the season's opener in Los Angeles and the North Carolina State Wolfpack host the Terps on "Super Sunday" January 13. The Wolfpack also visit College Park on January 30.

Co-Captains Tom McMillen and Len Elmore along with Sophomore Starter John Lucas top the list of returning lettermen. McMillen and Elmore have participated in 50 winning games in their two years on the varsity and accomplished feats that no other Terp basketballers in history have accomplished. They played on the National Invitational Tournament Champions as sophomores and in their Junior year played in the NCAA Eastern Regional Finals, both firsts for the Terps.

The 1972-73 Terrapins were the highest scoring team in Maryland basketball history with 2,613 points and a 87.1 average but nearly a thousand of those points are gone with the graduation of Bob Bodell, Jim O'Brien, Darrell Brown and Howard White.

McMillen returns as the Terps fourth leading scorer in history with 1,283 points, just 17 behind his brother Jay and 114 behind the leader, Gene Shue. Elmore has 608 points and 641 rebounds in two years while Lucas scored 425 as a freshman starter for the varsity and has three years remaining.

DR. JOHN E. FABER

CHAIRMAN, THE ATHLETIC COUNCIL

First appointed to the athletic council in 1951, Dr. John Faber has served as its chairman since 1963. Dr. Faber is the University's representative to the Atlantic Coast Conference, of which the was president during the 1969-70 year.

For 36 years Dr. Faber served as lacrosse coach at the University. During that time the accomplishments of his teams secured a place for him as one of the greatest names in Maryland athletic history. He won 276 games suffering only 75 losses with two ties. Five times his Terps were undisputed national champions and two other times they shared that honor with another school.

A professor in the microbiology department, the University is fortunate to have such a man as its Faculty Chairman of Athletics.

THE TRAINING STAFF

DR. STANFORD A. LAVINE — Team Physician

Dr. Stanford A. Lavine is Terrapin Team Physician.

As a quarterback on the 1949 Maryland eleven, Stan established one Terrapin record and shares another.

Against South Carolina, Lavine passed 15 yards to Ed Bolton who ran 77 yards to score. The 92-yard touchdown play remains the longest scoring pass and run in the Maryland record book.

Against George Washington, Lavine completed three touchdown passes, a mark he shares with several other Terp quarterbacks.

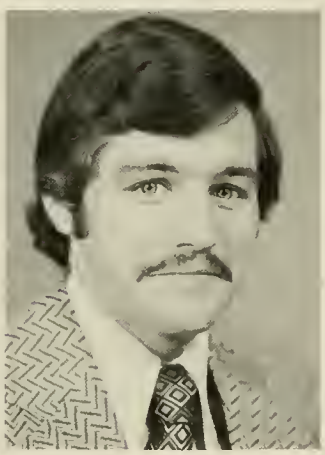
Dr. Lavine is an orthopedic surgeon.

TRAINER — WILLIAM FRY

William "Spider" Fry, a 1951 graduate of the University, returned to his alma Mater in March, 1967, as Head Trainer of Athletics. He had served for five years in a similar capacity at Dartmouth College.

As an undergraduate, Fry earned his letter in varsity soccer and a B.S. degree in Physical Education. He was an assistant trainer for several years before becoming head trainer at Dartmouth in 1962. He was director of District III for the National Athletic Trainers Association in 1958.

Spider and Sandy (Penn State '61) have one daughter, Elizabeth Kay, who has just turned six.



ASSISTANT TRAINER — John J. Bush

John J. Bush joined the Maryland training staff a year ago to assist with the Football duties and also serve as the Head Basketball Trainer.

In his first year with the Terp Basketball team he was kept busy but despite numerous plaguing injuries kept the squad active through the finals of the NCAA Eastern Regionals.

The 1969 graduate of Florida State came to Maryland from the U.S. Army where he served with the Airborne Rangers. He holds a private pilot's license and is a 27 year old bachelor.

ASSISTANT TRAINER — Robert James Weir

Jim Weir, a 10 year veteran of the United States Navy, joined the athletic department as assistant trainer in 1970. He trained for three years at the Naval Academy under Red Romo as a Hospitalman 2nd class in the Navy.

A native of Chelsea, Michigan he attended Olivet College prior to entering the Navy and is a graduate of the Navy Physical Therapy Technical School.

Jim, 34, and his wife Merlene have two sons James 10, and Robert 7.

EXECUTIVE DIRECTOR MARYLAND EDUCATIONAL FOUNDATION

Thomas M. Fields

When Jim Kehoe assumed the duties as Director of Athletics at the University of Maryland he realized that financial stability was absolutely necessary to achieve the goals he set for Maryland athletics.

He went after one man, and one man only, to head the Maryland Educational Foundation and as usual he was successful. He lured Thomas M. Fields into retirement from the United States Marine Corps where he had devoted 28 years of distinguished service.

The former Maryland All-American distance runner and teammate of Kehoe's took over his duties at Maryland in 1970 and his success has been phenomenal.

For the fiscal year ending June 30, 1970 contributions to the Maryland Educational Foundation totaled approximately $30,000. For the fiscal year ending June 30, 1973 contributions totaled just over $260,000, an increase of over 800 percent.

During the past year the Terrapin Club renewed 96 percent of their contributions and the membership now stands at 865, quite a jump from the 132 original members.

Of the 865 members, one is a life member ($10,000 contribution), 63 are Diamondback members ($1,000 annual contribution) and 203 are Gold Members ($500 annual contribution).

The goal set by Colonel Fields the past year was $250,000 and he surpassed that figure although many termed it an unrealistic goal. This coming year he has set a goal of $350,000 and a Terrapin Club membership of over 1,000.

With the hard work and dedication he has contributed to the program in the past he will achieve that goal as well.

Colonel Fields' service to his country followed the same pattern he established as a track star at Maryland and recently as a University Administrator. During World War II he served in combat on Guadalcanal, Vella Lavella, Bougainville and Iwo Jima. He also served in Korea and Vietnam and at the time of his retirement was the Deputy Director of Information, Headquarters Marine Corps.

Colonel Fields and his wife, the former Patricia T. Hansel, have four children. Thomas M. Jr. will join the Maryland Track team this fall after a successful career at Northwestern High as a distance runner. Karen is 17, Lori 15 and David 13.

Promotions Director Russ Potts

When Jim Kehoe hired Russ Potts away from the Winchester Star in 1970 where he served as sports editor, the Terrapins had only WMAL Radio to air the Terrapin Football and Basketball games. Now WMAL feeds a network of 20 stations in football and even more in basketball.

In addition Potts is negotiating to have several Terrapin Football games televised locally on a delayed basis as authorized by NCAA regulations. This would also be a first for the Terrapins.

The Maryland souvenir football programs are the largest and finest in the nation and a result of the dedication Potts has given to making them the best. Also the modernistic scoreboards and magic message available in Byrd Stadium is there for your information through the support of the advertisers and the work of Potts in arranging their availability.

While handling the Radio and TV Networks, the Jerry Claiborne and Lefty Driesell Television shows and the ticket promotion programs, he also arranges speaking engagements for various coaches and aids the coaches with the publication of their recruiting materials.

Potts is a Maryland graduate, class of '64, where he served as Sports Editor and Managing Editor of the Diamondback and President of Sigma Delta Chi Journalism Fraternity and Phi Delta Theta social fraternity.

He is married to the former Emily Strite of Martinsburg, West Virginia and they have two daughters, Kristi and Katie.

Tulane at LSU on Dec. 1

If you buy the wrong steel belted radials, you'll be reminded of it for 40,000 miles.

No matter which steel belted radials you buy, you'll be getting tires that will probably last 40,000 miles. Tires that are tough enough to drive over nails and spikes. Tires that can even be driven over axe blades. And keep on going.

But building a tire that can take all this punishment is easy. All it takes is steel. The hard part is putting something as rigid as steel into a tire in such a way that you still get good handling and a smooth quiet ride out of it.

At Pirelli, we've developed a tire that solves this problem.

The Cinturato CN-75.

The CN-75 is good for 40,000 miles, and can take just as much punishment as any other steel belted radial. The difference lies in the way we put it together. We know that a tire can't ride smoothly if its belt is too stiff and rigid. So we found a way to make our steel belts more flexible. We use what we call "Trac Steel 21™". What this means is that each of the CN-75's steel cords consists of 21 individual strands. More than any other tire uses.

Once we found this new kind of steel cord, we discovered a new way of putting it into the tire. The result is a unique combination of "Trac Steel 21" and rayon which provides all the strength and protection of steel without sacrificing a quiet comfortable ride.

In developing a tire that will do all this, we discovered one more thing: It's very difficult to make. So we don't take any chances. Every single CN-75 is completely X-ray inspected. Because we know if even the slightest thing is wrong with a steel belted radial, the effect it could have on your car will be more than slight.

You'll probably get 40,000 miles out of any steel belted radial. But the kind of miles they turn out to be depends on which steel belted radials you decide to buy.

PIRELLI

All the advantages of a steel belted radial without the disadvantages.

Pirelli Cinturato CN75 tires are guaranteed to have an original tread life of 40,000 miles. Replacement credit or cash refund (at Pirelli's option), equal to percent of guaranteed mileage not delivered multiplied by National Price at time of adjustment, issued upon presentation of tire and valid guarantee form to authorized Pirelli Dealer by original purchaser. Tires must be used on American made passenger vehicle listed on guarantee form in normal non-commercial service within continental U.S. (excluding Alaska). In the interests of safety and to maintain guarantee, CN75's must be mounted in full sets or pairs (on rear axle) and balanced. They must not be abused, run flat or underinflated, used on a vehicle out of alignment or with defective shocks, brakes or similar defect. Pirelli Cinturato CN75 tires are also guaranteed against defects in workmanship and materials and normal road hazards. Credit or refund based on tread depth remaining.
